

CURRICULUM VITAE

JOSÉ GÓMEZ-ZOTANO

Department of Regional Geographical Analysis and Physical Geography

University of Granada

Campus de Cartuja s/n, 18071 Granada, Spain

Email: jgzotano@ugr.es

Web page: http://geofireg.ugr.es/pages/departamento/fichas/gomez_zotano

1. Education

- Ph.D. in Environment and Landscape, University of Toulouse-Le Mirail (France)/University of Granada (Spain), 2003. Dissertation: El papel de los espacios montañosos como traspaís del litoral mediterráneo andaluz: el caso de Sierra Bermeja, provincia de Málaga (“The role of mountainous areas as a hinterland of the Andalusian Mediterranean coast: the case of Sierra Bermeja, Malaga”).
- M.A. of Planning, Urban Planning and Real Estate Development. ESNA Business School Foundation of Andalusia, Spain, 1999.
- B.A (Hons - First Class) in Geography, University of Granada, Spain, 1998.

2. Professional positions

Tenured positions:

- Professor of Geography. University of Granada, Spain (16/11/2010 - present)
- Reader of Geography. University of Granada, Spain (10/22/2007 to 11/16/2010)

Non tenured positions:

- Visiting Professor of Landscape. PhD in Geography. Pedagogical and Technological University of Colombia-Geographical Institute Agustín Codazzi (2013 – present)
- Visiting Professor of Landscape. Master of Protection and Landscape Management, University of Seville, Spain (2008 - present)
- Assistant Professor of Geography. University of Granada, Spain (02/17/2005 to 10/21/2007)
- Associate Professor of Geography. University of Granada, Spain (10/16/2003 to 04/30/2004)
- Teaching Fellow of Geography. University of Granada, Spain (02/12/2001 to 12/31/2002)
- Adjunct Faculty Member. San Diego State University, USA (08/31/2000 to 10/29/2000)

Other positions:

- Scientific Researcher at the Regional Development Institute (IDR)-University of Granada (1999 – present)
- Scientific Collaborator at the Center for the Study of Landscape and Territory (CEPT)-University of Seville (2008 - present)
- Member of the Andalusian Research Group “Landscape and Territory Development” (SEJ-0170) (1999 - present)

- Member of the Editorial Advisory Board of “Landscape Online. The Official Journal of the International Association for Landscape Ecology”, Chapter Germany (IALE-D) (2006 - present)

3. Significant professional achievements

Selected publications

Books

- Gómez Zotano J, Riesco Chueca P. 2010. *Marco conceptual y metodológico para los paisajes españoles. Aplicación a tres escalas espaciales*. Seville (Spain): Centro de Estudios Paisaje y Territorio (CEPT). Junta de Andalucía. Ministerio de Medio Ambiente.
- Gómez Zotano J, Ortega Alba F, editors. 2009. *El Sector Central de las Béticas: una visión desde la Geografía Física*. Grenada (Spain): Editorial Universidad de Granada. Asociación de Geógrafos Españoles (AGE).
- Gómez Zotano J, director. 2009. *Dunas litorales y fondos marinos del Saladillo-Matas Verdes (Estepona, Málaga). Estudio integrado para su declaración como reserva marítimo-terrestre*. Malaga (Spain): Servicio de Publicaciones de la Universidad de Málaga (SPICUM).
- Gómez Zotano J. 2006. *Naturaleza y paisaje en la Costa del Sol Occidental*. Málaga (Spain): Servicio de Publicaciones Centro de Ediciones de la Diputación de Málaga (CEDMA).
- Gómez Zotano J. 2004. *El papel de los espacios montañosos como traspáis del litoral mediterráneo andaluz: el caso de Sierra Bermeja (provincia de Málaga)*. Grenade (Spain): Editorial Universidad de Granada.

Book Chapters

- Gómez Zotano J, Riesco Chueca P. 2010. *Landscape learning and teaching: Innovations in the context of the European Landscape Convention*. In: Proceedings of INTED 2010 Conference. International Technology, Education and Development Conference. Valencia (Spain): **International Association for Technology, Education and Development (IATED)**.
- Jiménez Olivencia Y, Paniza Cabrera A, Gómez Zotano J. 2005. *Retrospective analysis of space utilisation at the Guadiamar River Basin*. In: Del Valls TA, Blasco J, editors. Integrated assesment and management of the ecosystems affected by the Aznalcóllar mining spill (sw Spain). Cadiz (Spain): **UNITWIN / UNESCO Chairs Programme: Wicop**.
- Gómez Zotano J. 2004. *The broadleaved tree-conifer controversy at Sierra Bermeja, an ultramafic mountain in southern Spain*. In: Boyd RS, Baker AJM, Proctor J, editors. Ultramafic Rocks: Their Soils, Vegetation, and Fauna. Proceedings of the Fourth International Conference on Serpentine Ecology. St. Albans, Herts (UK): **Science Reviews**. p. 151–156.

Journal Articles

- Gómez-Zotano J, Riesco-Chueca P, Rodríguez-Rodríguez J. (under review). The Landscape Taxonomic Pyramid: a methodological proposal sensitive to land-use planning. **Landscape and Urban Planning**.

- Gómez-Zotano J, Román Requena F, Thorne JH. (expected publication 2014). *Attributes and roadblocks: a conservation assessment and policy review of the Sierra Bermeja, a Mediterranean serpentine landscape*. **Natural Areas Journal**.
- Gómez-Zotano, J. (expected publication 2014). *La degradación de dunas litorales: aproximación geohistórica y multiescalar en Andalucía*. **Investigaciones Geográficas**.
- Olmedo Cobo JA, Gómez Zotano J. (expected publication 2014). *Síntesis biogeográfica y fitosociológica de la vegetación del Parque Natural de la Sierra de Baza (Cordillera Bética, Andalucía, Sur de España)*. **Estudios Geográficos**.
- Gómez-Zotano J, Román Requena F, Hidalgo Triana N, Pérez Latorre AV. 2014. *Biodiversidad y Valores de Conservación de los Ecosistemas Serpentinicos en España: Sierra Bermeja (provincia de Málaga)*. **Boletín de la Asociación de Geógrafos Españoles** 65: 187–206.
- Olmedo-Cobo JA, Gómez-Zotano J. 2014. *El tejo en el Sur de España: análisis geoecológico y propuesta de conservación de una población mediterránea en peligro crítico de extinción*. **Bosque** 35 (1): 23–36.
- Riesco-Chueca P, Gómez-Zotano J. 2012. *Landscape fieldwork: scientific, educational and awareness-raising requirements in the context of the European Landscape Convention*. **Landscape Research Journal**, 1-12.
- Gómez Zotano J. 2011. *El castañar de Pujerra: caracterización geohistórica de un paisaje agroforestal singular*. **Takurunna. Anuario de estudios sobre Ronda y la Serranía** 1: 49–83.
- Gómez Zotano J, Martín-Vivaldi Caballero ME. 2010. *Cartografía y unidades geomorfológicas de la provincia de Tetuán, Marruecos*. **Boletín de la Asociación de Geógrafos Españoles** 54: 149–173.
- Riesco Chueca P, Gómez Zotano J, Álvarez Sala D. 2008. *Región, comarca y lugar: escalas de referencia en la metodología del paisaje*. **Cuadernos Geográficos** 43: 227–255.
- Gómez Zotano J. 2006. *Los montes de la Costa del Sol. Sierra Bermeja y Sierra Crestellina*. **Investigaciones Geográficas** 39: 47–71.
- Gómez Zotano J. 2006. *El paisaje de la colonia agrícola de San Pedro Alcántara (provincia de Málaga). Bases naturales y reconstrucción geohistórica a través del catastro*. **Cuadernos Geográficos** 38: 111–170.
- Gómez Zotano J, Paniza Cabrera A. 2003. *Análisis del sistema de protección ambiental de la Costa del Sol. Una frontera en litigio entre el espacio litoral y su trasfondo montañoso*. **CyberGEO. European Journal of Geography** 250: 1–14.

Research stays at international centers

- Information Center for the Environment (ICE). Department of Environmental Science and Policy. University of California, Davis (UCDavis), United States (07/01/2013 to 09/30/2013).
- Laboratoire GEODE UMR 5602 CNRS. University of Toulouse-Le Mirail (UTM), France (05/01/2004 to 02/16/2005).
- Environmental Science Center EULA. University of Concepción (UdC), Chile (09/24/2001 to 11/18/2001).
- Department of Geography, Center for Earth Systems Analysis Research (CESAR) and NASA Affiliated Research Center (ARC). San Diego State University (SDSU), United States (08/31/2000 to 10/31/2000).

- Laboratoire GEODE UMR 5602 CNRS. University of Toulouse-Le Mirail (UTM), France (10/26/1999 to 12/18/1999).

Memberships in professional organizations

- Association of Spanish Geographers (AGE).
- The Permanent European Conference for the Study of the Rural Landscape (PECSRL).
- International Serpentine Ecology Society (ISES).

Fellowships

- 2013 Mobility Grant “Salvador de Madariaga Program” in the Information Center for the Environment (ICE). Department of Environmental Science and Policy. University of California, Davis (UCDavis), United States. Ministry of Education and Culture, Spain.
- 2004-2005 Postdoctoral fellowship in the Laboratoire GEODE UMR 5602 CNRS. University of Toulouse-Le Mirail (UTM), France. Ministry of Education and Culture, Spain.
- 2001 Grant for Short Periods of Research Staff in the Environmental Science Center EULA. University of Concepción (UdC), Chile. Ministry of Education and Culture, Spain.
- 2000 Grant for Short Periods of Research Staff in the Department of Geography, Center for Earth Systems Analysis Research (CESAR) and NASA Affiliated Research Center (ARC). San Diego State University (SDSU). Ministry of Education and Culture, Spain.
- 1999 Grant for Short Periods of Research Staff in the Laboratoire GEODE UMR 5602 CNRS. University of Toulouse-Le Mirail (UTM), France. Ministry of Education and Culture, Spain.
- 1999-2002 Grant for Researcher Training in Spain. Ministry of Education and Culture, Spain.

Scholarships

- 1997 Grant for Introduction to Research. University of Granada, Spain.

Prizes

- Award “University of Granada to Release Science” 2010 Edition of the book “El Sector Central de las Béticas: una visión desde la Geografía Física”.
- Award of the Social Council of the University of Granada as a young researcher in 2011.

Manuscript and proposal reviews

Journals

- Boletín de la Asociación de Geógrafos Españoles (2012).
- Landscape Online. The Official Journal of the International Association for Landscape Ecology (2012).
- Takurunna. Anuario de estudios sobre Ronda y la Serranía (2012).
- Cuadernos Geográficos (2013).
- INTERCIENCIA Journal of Science and Technology of the Americas (2014).

- Revista Perspectiva Geográfica (2014)

Research proposals

- Agencia Nacional de Evaluación y Prospectiva (ANEP). Ministry of Economy and Competitiveness, Spain (2013).
- Comité d'évaluation du programme JCJC-SHS 1-Sociétés, Espaces, Organisations et Marchés. Agence Nationale de la Recherche (ANR), France (2013).
