IGU-UGI Thematic Conference 23-25 April 2017

In 2017 the International Geographical Union (IGU-UGI) will organize two Thematic Conferences, instead of a large Regional : one about “Energy, Geography & Balanced Development” in Baku (Azerbaijan), and one about “Geographies for Peace” in La Paz (Bolivia).

The Thematic Conference in La Paz will be focused on peace and the contribution of geography to it.
It will be held on 23, 24 and 25 April 2017, in combination with another major international scientific event, “EGAL, XVI ENCUENTRO DE GEÓGRAFOS DE AMÉRICA LATINA” (EGAL The 16th Meeting of Latin American Geographers), which will take place from 26 to 29 April in the same city.
